

OPEN CAMPUS BLOCK PROGRAM

The most exceptional, affordable study abroad program in the world

EXCEPTIONAL QUALITY FOR NEARLY 10 YEARS

- The **highest-rated, most affordable** study abroad programs in the world. **Flexible features** fit all institutional calendars, academic subjects, and student schedules.
- **Faculty is highly-skilled** in advanced teaching and technology pedagogy and certified by CIEE's VP of Academics.
- Alums report a **high level of satisfaction and value**. GPAs for Open Campus Block programs are comparable to traditional study abroad programs.

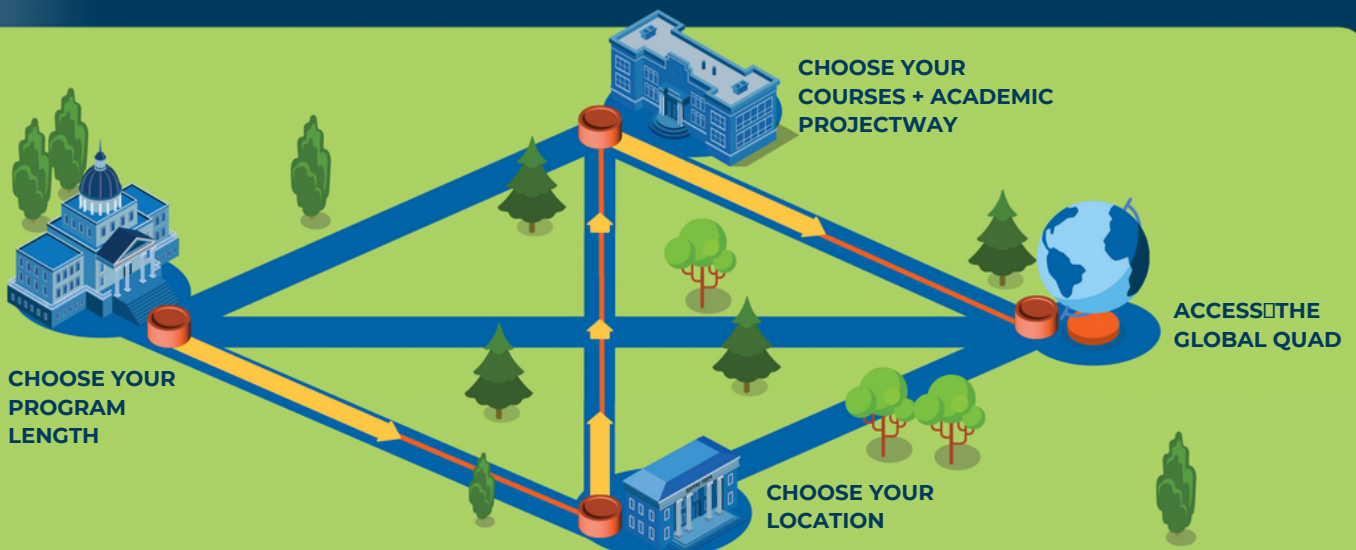

ACADEMICALLY-RIGOROUS AND HIGH-DEMAND COURSES OFFERED EVERY BLOCK

- 400+ courses **meet graduation requirements** and are **offered in English** across all **high-demand areas of study** (business, STEM, sustainability and environmental studies, communications, and more).
- **Optional language study** available in eight languages.
- Robust set of **experiential learning options** in each location: Internships, independent research, volunteer opportunities, and service-learning.
- Blocks perform equal to or better than traditional study abroad programs and direct enrollment programs.

BUILDING A PATHWAY FROM YOUR CAMPUS QUAD TO OUR GLOBAL QUAD

- A **consistent, comprehensive, integrated network of block programs spanning 20 global cities** that are the fastest-growing study abroad programs in the world.
- Blocks are intentionally **aligned with the U.S. academic calendar**, offering flexible and convenient semester, quarter, and summer terms with consistent **academic rigor**.
- Students can stay in one location for up to three blocks or **build a unique multi-site program** of comparative study.
